

Phillip Island Movie Club

Hi all, it is so good to be back on the Island and especially with the beautiful weather we have been having. Elizabeth and I had a wonderful 10 weeks away but only managed to see three films. Our trip covered the UK for 6 days, the French Riviera for two weeks, the UK again for 6 days then, Croatia, Bosnia, Montenegro and Italy then back to the UK for 6 days and home on the 1st of October.

Special thanks to Barrie and all the committee members who ran the PIMC whilst we were away. We are both looking forward to catching up with everybody on the 28th of October.

Last month's film *Still Alice* was given a 4.5 StarBox rating by the 47 members who attended.

This month's film on the 28th October 2015 is a French film, *Going Away*, directed by Nicole Garcia and made in 2013.

The story line is that Baptiste, a teacher in southern France, cannot commit and so he never stays more than three weeks in the same job. One Friday, he finds himself in charge of Mathias, one of his pupils, who hasn't been picked up after school. Although lacking in commitment, Baptiste is a wonderful teacher and very involved with his students. Baptiste takes the boy to visit his mother Sandra, a beautiful woman. Sandra has led a bit of a wild life and now works on a beach near Montpellier. Within a day, the trio have formed a bond, like the beginnings of a family for these three people who don't have one. But the magic doesn't last....

This film is a low key, sensitive film that proceeds at an unhurried pace. It is a film about dysfunction, vulnerability and choices.

This month's raffle is a restaurant voucher.

Please don't forget if you are going away, share your ticket with a friend, in this way those that cannot become members at present, can take the opportunity to take your place at our film night.

We will have nibbles and tea or coffee from 7.20pm and again entrance is limited to current members and those who have been lent a membership card by a non-attending member.
